Prior to enrolling in Online Banking and accepting the electronic version of this Agreement, you should verify that you have the required hardware and software necessary to access Online Banking and to retain a copy of this Agreement. (Hardware and software requirements are outlined below in the e-Sign Disclosure section).

You are responsible for the maintenance, installations, and operation of your computer. This financial institution shall not be responsible for any errors, deletions, or failures that occur as a result of any malfunction of your computer or software, nor will we be responsible for any computer virus that affects your computer or software while using our service. With your acceptance below and your use of online banking, you agree that we shall not be liable for any direct, indirect, incidental, or consequential costs, expenses, or any damages whatsoever (including lost savings or profit, lost data, business interruption, or attorney's fees) resulting from any errors or failures from any malfunction of your computer or any virus or computer problems that you may encounter related to the use of online banking.

You must complete the enrollment process via the Internet to use Online Banking. You will also be prompted to set up your security questions. When you enroll in Online Banking, you agree to provide true and accurate enrollment information.

Signature Requirements - When any transfer, ACH, or other Payment Instruction is initiated through Online Banking, you agree that we may debit the designated Accounts without requiring your signature on the item and without any notice to you. Requirements for dual signatures on checks, if applicable, do NOT apply to Bill Payments or other transfers initiated through Online Banking. Any Authorized User must be authorized individually to make electronic transfers and online Bill Payments even though that person's authority to make transfers by other means may still require dual signatures.

Account Balances - Balances shown in your accounts may include deposits subject to verification by us. The balance may also differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A scheduled transfer request may not result in immediate availability because of the time required to process the request. Online Banking will display the most current balances on the Accounts page. Online Banking will use the most current balance available at the time of a transaction to base our approval for account transfers.

Transfer Limitations - You may use Online Banking to check the balance of your Account(s) and to transfer funds among your Accounts at this financial institution, transfer funds to another member of this institution, or transfer funds among your Accounts at other financial institutions. We reserve the right to set limits to these transfers on a case-by-case basis. (For further limitations that may apply to your transaction, refer to the FAQ section.) This financial institution currently limits the Bill Pay Service to only Checking Accounts. Each transfer from a money market account using Online Banking is counted as one of the three free transactions permitted each monthly statement cycle period, as described in the Deposit Account

Agreement and Disclosures. You will be subject to fees if you exceed the free Money Market transaction limits of your account using online banking or any other methods outlined in your Membership Agreement and Disclosures.

Canceling or Changing Transfers - You cannot cancel a transfer after it has been entered into the system AND the information has been processed and/or transmitted to us via Online Banking; however, you can edit or change a transfer that is still "pending", meaning that it has not been processed. If you accidentally transfer funds, you can schedule another transfer to move funds back to the original account if the account ownership allows you to do so.

Stop Payments - Stop payments in Online Banking should NOT be used to cancel transfers and bill payments. The stop payment feature within Online Banking is for stopping payments on checks that you have written or for stopping pre-authorized electronic drafts (such as check-by-phone payments for which an actual check is created with a unique check number). This feature is accessible in the Additional Products – Stop Payment option of your Online Banking account. If the stop payment is successful, it will post to your account immediately. Please note that a stop payment is not guaranteed for the first 24 hours, and there may be situations in which a stop payment may not be possible. If your request is urgent or you need to stop payment on a sequential range of checks, we recommend that you contact our Contact Center directly at 989-739-1401 or visit any branch location. There is a stop payment fee associated with this feature. Please refer to our Fee Schedule for additional information on fees associated with stop payments.

Secure Messaging - Generally, requests received through the secure messaging feature of Online Banking will be processed within one (1) Business Day. For urgent requests, we recommend that you contact our Contact Center.

Please read the following EFT disclosures carefully. You should print a copy of this information for future reference.

Your Liability for Unauthorized Transfers

Tell us AT ONCE if you believe your User ID or Password has been lost or stolen. Contacting us by phone is the best way of minimizing your possible losses. You could lose all the money in your account.

If you tell us within two (2) Business Days after you discover your Password or other means to access your account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.00.

If your monthly financial institution statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.

Errors and Questions

In case of errors or questions about your EFT transactions, you must notify us as soon as possible through one of the following methods: Call us at 989-739-1401 during business hours

Send us a secure message through the Online Banking Service; or,

For bill payments, initiate a payment inquiry in the Bill Pay section of Online Banking.

If you think your statement is incorrect, or you need more information about an electronic transfer or bill pay transaction listed on the statement, we must hear from you no later than sixty (60) days after the FIRST statement was sent to you on which the problem or error appears. You must:

If you tell us verbally, we may require that you send your complaint in writing within ten (10) Business Days after your verbal notification. We will tell you the results of our investigation within ten (10) Business Days after we hear from you, and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your account.

For Bill Pay and other EFT errors involving new accounts, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) Business Days to credit your account for the amount you think is in error.

You may ask for copies of documents used in our investigation. Online Banking may revoke any provisional credit provided to you if we find an error did not occur.

Other Problems

If you believe an error, other than an EFT (electronic bill pay or transfer) has occurred, you can call us at:

- 989-739-1401 or
- Send us a secure message through the Online Banking Service.

Disclosure of Account Information to Third Parties

It is our general policy to treat your account information as confidential. Please refer to our Privacy Notice (see link below) for additional detail on disclosure of account information.

Our Liability for Failure to Complete Transactions

If we do not complete a transaction to or from your account on time or in the correct amount according to your instructions or our Agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, your Account does not contain sufficient funds to complete the transaction, or the transaction would exceed the credit limit of your overdraft account;
2. Your Account is closed;
3. Online Banking is not working properly and you know or have been advised by Online Banking about the malfunction before you execute the transaction;
4. Circumstances beyond the control of Online Banking (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and Online Banking has taken reasonable precautions to avoid those circumstances;
5. If your computer, software, or telecommunication lines were not working properly or were temporarily unavailable, and this problem should have been apparent to you when you attempted the transfer or bill payment;
6. If we have reason to believe that a transaction request may not be authorized by you or any third party whose authorization we believe is necessary;
7. If the payment request involves funds subject to hold, dispute, restriction, or legal process we believe prevents their withdrawal.

Verification of Payments and Transfers - Information regarding Online Banking and Bill Pay transactions will be reflected in the account detail and account history sections of Online Banking and in your regular monthly account statement(s).

Privacy - We understand how important privacy is to our members. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our Privacy Notice (see link below) before completing the enrollment process for Online Banking.

Internet Security – Security is very important to the Online Banking Service. Prior to activation, our Member Service Representative will verify your identity and authorization against information associated with the Account(s) that you request to be tied to Online Banking.

User IDs and Passwords - One of the main security features protecting Online Banking is the unique combination of your User ID and Password. During the enrollment process, you will be asked to select a unique User ID no greater than 12 characters, and choose a Password that will be used to gain access to Online Banking. Our Service uses a program that will help you select a good Password. Because your Password is used to access your accounts, you should treat it as you would any other sensitive personal data. You should carefully select a Password that is hard to guess. Keep your Password safe. Memorize your Password and do NOT write it down. You should also change your Password occasionally, such as every 90 days. We require that passwords be changed every 365 days as a minimum. A Password should be changed immediately if you suspect that your Password has been compromised. This can be done at any time from the Other Options tab after you log on to Online Banking. When you accept the terms and

conditions of this Agreement, you agree not to give or make available your Password to any unauthorized individuals. You are responsible for all transfers and bill payments you authorize using Online Banking. If you permit other persons to use Online Banking or Password, you are responsible for any transactions they authorize. If you believe that your Password or other means to access your account has been lost or stolen, or that someone may attempt to use Online Banking without your consent or has transferred money without your permission, you must notify us at once by calling 989-739-1401 during business hours. You may also contact us by sending a secure message through the Online Banking Service. By accepting the terms of this Agreement, you acknowledge your responsibility for protecting the confidentiality and security of your User ID and Password and you agree to change it periodically and/or if you believe it has been compromised. The Password security program will encourage you to stay away from words based on your name, address, other personal information, or words out of the dictionary. Your Password is not case-sensitive and must meet the following minimum requirements:

- Must be between 8 and 10 characters in length
- Must contain one letter
- must be substantially different from previous password
- must contain one special character (these are used to increase security)
- cannot contain leading or trailing blanks

We will not contact you unexpectedly via telephone or email requesting your User ID or Password. If you are contacted by anyone requesting this information, do not provide it and contact us immediately.

If you disclose your Password to anyone, and/or if you allow someone to use your Password to access your accounts, you are authorizing them to act on your behalf and you will be responsible for any use of the system by them (e.g., such as when you provide this information to a joint account holder, spouse, and/or an aggregation service provider).

Log-On Security - For your protection, you should sign-off after every Online Banking session. In order to help prevent unauthorized access to your account(s), your online session will end automatically if we detect no activity for 10 minutes. This is to protect you in case you accidentally leave your device unattended after you logged on. When you return to your device, you will be prompted to re-enter your Password. In addition, we will deactivate your account after five consecutive unsuccessful log-in attempts and you will have to contact us to reactivate your account.

Encryption – Online Banking uses the Secure Socket Layer (SSL) encryption technology for everything you do while using Online Banking. Your browser automatically activates this technology when it attempts to connect to our Service. Our Service requires a browser that supports 128-bit encryption. Online Banking will warn you if your browser does not meet this requirement. Whenever SSL is securing your communications, the browser will typically indicate this secure session by changing the appearance of a small icon of a padlock at the bottom of the screen from “open” to “locked”. What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the Internet.

Cookies - During your use of Online Banking, our Online Banking Service Provider will pass an encrypted cookie to your computer in order to identify your computer during the session. This cookie enables us to process multiple transactions during the session without having to provide a User ID and Password for each individual transaction. Users must accept this cookie to use our Online Banking product. This cookie does not contain any personal information; it simply provides another level of security for our Online Banking product. The cookie is stored on your computer's hard-drive, identifying your computer while you are logged on. When you log off, close your browser, or turn off your machine, the cookie will be destroyed. A new cookie is used for each session; thus, no one can use the prior cookie to access your account.

Use of Public Computers – The security of public computers (e.g. in a Library, or Internet café) cannot be assured; therefore we strongly recommend that our customers refrain from accessing online accounts on a public computer. If you must do so, please do not leave the computer unattended and be sure to clear the computer's Internet options after you log off. Notwithstanding our efforts to ensure that online banking is secure, we cannot and do not warrant that all data transfers via online banking will be free from monitoring or access by others.

Contact Information - It is your responsibility to ensure that your contact information is current and accurate. This includes, but is not limited to, name, address, phone numbers and email addresses. Changes can be made by contacting Northland Area Federal Credit Union at 989-739-1401 or visiting any branch location.

Cancellation of Online Banking Services – Your Online Banking Services may be canceled at any time by this financial institution in whole or part without prior notice due to insufficient funds in one of your accounts or other circumstances that may create an unanticipated liability to us. You will remain responsible for all transactions approved by the system prior to cancellation, and any fees associated with this service. After cancellation, service may be reinstated once sufficient funds are available in your account to cover any fees and other pending transfers or debits. Also, if you do not log into your Online Banking at least once every 365 days, we may terminate your access to Online Banking and all related services such as Bill Pay and e-statements.

If you wish to cancel Online Banking, you may contact Northland Area Federal Credit Union by one of the following methods:

- Telephone us at 989-739-1401 during business hours; and/or
- Visit a branch location
- Write us at:
Northland Area Federal Credit Union
1161 N Bagley St
Alpena, MI 49707 or
- Send us a secure message through the Online Banking Service.

All Scheduled Payments will continue to be processed once Online Banking is cancelled. Recurring transfers will also continue unless you notify us that you no longer wish to have this transfer.

Disputes - In the event of a dispute regarding Online Banking, the dispute will be resolved by looking to this Agreement. You agree that this Agreement is the complete and exclusive statement of the agreement between you and us. If there is a conflict between what our employees, our Service Providers, or Member Service Department say and the terms of this Agreement, the terms of this Agreement will prevail.

Indemnification - Unless caused by our intentional misconduct or gross negligence, you agree to indemnify, defend and hold harmless Northland Area Federal Credit Union, its affiliates, officers, directors, employees, consultants, agents, service providers, and licensors from any and all third party claims, liability, damages, expenses and costs (including, but not limited to, reasonable attorneys' fees) caused by or arising from (a) a third party claim, dispute, action, or allegation of infringement, misuse, or misappropriation based on information, data, files, or otherwise in connection with the Service; (b) your violation of any law or rights of a third party; or (c) your use, or use by a third party, of Online Banking.

Governing Law - Accounts and services provided by this financial institution may also be governed by separate agreements with you. This Agreement supplements any other agreement(s) and/or disclosures related to your Account(s) and provided to you separately. LIABILITY

You will be responsible for any Payment request you make that contains an error or is a duplicate of another Payment. The Financial Institution and/or Service provider is not responsible for a Payment that is not made if you did not properly follow the instructions for making a Payment. The Financial Institution and/or Service provider is not liable for any failure to make a Payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a Payee for a Payment. The Financial Institution and/or Service provider is not responsible for your acts or omissions or those of any other person, including, without limitation, any Payee or transmission or communications facility, and no such party shall be deemed to be the Financial Institution's and/or Service provider's agent. In any event, the Financial Institution and/or Service provider will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution and/or Service provider has knowledge of the possibility of them. The Financial Institution and/or Service provider is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's and/or Service provider's reasonable control.

SETTING UP AND MAINTAINING PAYEES

To begin using the Service you will first need to establish at least one Payee in your Payee List. You may add, modify or delete Payees as necessary. It is your responsibility to manage your Payee List and maintain accurate Payee information, such as but not limited to the address to which the Payee specifies Payments are to be delivered, your account number with the Payee, the name on your account with the Payee, etc, except where the Service expressly indicates that it shall manage such Payee information, such as a Merchant's remittance address. Payees must reside or exist within the United States of America or its territories or commonwealths. The Service provider and/or the Financial Institution reserve the right to refuse or remove a Payee for any reason.

SETTING UP PAYMENTS

To schedule Payments you must choose a Payee from your Payee List. You may schedule One-Time Payments and Recurring Payments to any of your Payees. It is your responsibility to cancel, skip, reschedule or revise a Scheduled Payment in accordance with the Payee's instructions to you, or as needed to ensure sufficient available funds in the corresponding Funding Account, or under circumstances where the Payee may return the Payment to the Service provider due to any reason outside the Service provider's or the Financial Institution's control. The Service provider and/or the Financial Institution reserve the right to refuse or cancel a Payment for any reason.

The earliest possible Payment Date / Withdraw On Date and Due Date / Deliver By Date for each Payee will be determined and presented by the Service when you schedule a Payment. The Service will not permit a Payment Date / Withdraw On Date or Due Date / Deliver By Date earlier than the earliest possible dates presented. The Service determines this earliest possible Payment Date / Withdraw On Date and Due Date / Deliver By Date based on the number of Business Days required to deliver a Payment to the Payee, which is primarily affected by whether or not the Payee has agreed to accept remittance of Payments electronically (typically one or two (1 or 2) Business Days) or requires Payments be delivered by check (typically four or five (4 or 5) Business Days). A Payee's location or policies for posting and crediting payments may require additional Business Days. Payments scheduled after the Service's Cut-Off Time shall be processed no earlier than the following Business Day. Currently, the Cut-Off Time is 9:00 a.m. Eastern Standard Time, but the Service provider and/or the Financial Institution may change the Cut-Off Time without prior notice.

You should carefully consider factors such as the Payee's date payment due, grace period, whether the Payee's date payment due falls on a non-Business Day, etc., when scheduling a Payment to avoid late payments and late fees. You must allow the necessary number of Business Days prior to the Payee's date payment due for each Payment, including each Payment of a Recurring Payment series. Some businesses take longer to post payments than others. You should consider allowing additional time for the initial Payment to a Payee through the Service in order to gauge the appropriate Payment Date / Withdraw On Date or Due Date / Deliver By Date in each case, and determine whether to allow an additional one (1) or two (2) business days to avoid incurring any late fee charged by the Merchant. It is your responsibility to schedule Payments appropriately and in accordance with the Payee's requirements. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, for any Payment delivered in accordance with your instructions, or as a result of a Payee's payment processing policies, or any other circumstance outside the Service provider's control.

Payments to Payees, businesses or individuals, outside the United States of America or its territories or commonwealths, are prohibited.

EDITING OR CANCELING PAYMENTS

Any Payment can be modified or canceled, provided you access the Service prior to the Cut-Off Time on the Business Day Payment is going to be processed. Once a Payment is in-process, it cannot be canceled through the Service. Instead, you must contact Customer Service to request a stop payment. A Recurring Payment may be edited or canceled after processing for the current Payment instance is complete.

STOP PAYMENT

You may request to stop payment after a payment has been processed by contacting Customer Service. The Service's ability to successfully stop payment depends on how the funds were remitted to the Payee and the elapsed time since the Payment was processed. The Service provider and the Financial Institution will make commercially reasonable efforts to stop payment per your request, but shall have no liability if unsuccessful. You may be charged a stop payment fee for each request.

EXCEPTION PAYMENTS

Tax payments and court ordered payments may be scheduled through the Service; however such payments are discouraged and must be scheduled at your own risk. In no event shall the Financial Institution or Service provider be liable for any claims or damages resulting from you scheduling these types of payments. The Service provider shall have no obligation to research or resolve any claim resulting from any such payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be your sole responsibility.

BILL PAYMENT PROCESS

The Service will process Payments in accordance with the Payment instructions you provide. The Service will not process Payments on weekends or bank holidays. The Service will debit your Funding Account or issue a draft against your Funding Account, and deliver those funds to the designated Payee on your behalf such that the funds arrive as close to the scheduled Due Date / Deliver By Date as is reasonably practicable.

Numerous business and technical requirements determine if a Payee can accept Payments electronically, but in all cases Payments can be remitted by check. The Service provider shall have sole discretion to determine the appropriate remittance method. In order to process Payments efficiently and effectively, or otherwise comply with Merchants' remittance requirements, the Service reserves the right to change or update Payee data, or alter the method of Payment remittance. Neither the Service provider nor the Financial Institution shall be responsible for late payments, nor reimburse you for late fees, due to: a) U.S. postal delivery issues; b) electronic remittance network issues; c) your Payee's payment processing procedures; d) instances where the financial risk associated with the Payment requires check remittance instead of electronic remittance or additional Business Days to ensure sufficient funds in the Funding Account are available; or e) other circumstances beyond its control.

AUTHORIZATION

When you schedule a Payment, you expressly authorize the Service provider and/or the Financial Institution to withdraw from your Funding Account the Payment Amount and to remit those funds to the designated Payee on your behalf, and additionally to debit your Funding Account for any applicable Service related fees. You further authorize the Financial Institution to credit your Funding Account for any payment returned from or undeliverable to the Payee. In addition, you certify that the Funding Account is an account from which you are authorized to make payments and incur debits.

You agree to have available and collected funds on deposit in the designated Funding Account in amounts sufficient to process each Payment as requested by you, as well as any other payment obligations you have to the Financial Institution. The Financial Institution reserves the right, without liability, to reject or reverse a Payment if you fail to comply with this requirement or any other terms of this Agreement. If you do not have sufficient funds in the Funding Account and the Financial Institution has not exercised its right to reverse or reject a Payment, you agree to pay for such Payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts at the Financial Institution to cover such Payment obligations.

You authorize the Service provider and the Financial Institution to contact your Payees to request appropriate adjustments consistent with your Payment instructions and/or as pertaining to the Service Guarantee and Responsibility, and/or to stop payment on any draft issued against your Funding Account in connection with the Service in the unlikely event that the Service remits funds incorrectly to any of your Payees, and/or to withdraw funds from your Funding Account in such event if you otherwise receive the benefit of the amount of such incorrectly remitted funds.

RETURNED PAYMENTS

In using the Service, you understand that Payments may be returned by or to the Service provider for various reasons including but not limited to: the account or account number at the Payee is not valid, the Payee address is not valid, the Payee returns or rejects the remittance item, the account at the Payee has been paid in full or has been turned over to another company or individual. The Service shall use commercially reasonable efforts to research and correct the returned payment, or void the payment and credit your Payment Account. You may receive notification from the Service.
