## NOTICE – Bidding Process

This sale is considered “AS IS, WITH ALL FAULTS”

At the time of the sale, each written bid will be opened by the seller and no other persons will be allowed to bid on this property. The sale date may be postponed or cancelled at the discretion of the seller without any advance notice to any of the bidders. Each bidder will be notified of the highest bid and each bidder will be given the opportunity to place a higher bid in increments of **\$100.00** or more. If the bidder does not wish to increase his bid the bidder may withdraw from the bidding process at this time. Once a bidder has withdrawn, no further bids will be accepted from that bidder on this property. If the seller fails to reach a bidder after one attempt, that bidder will be dropped from the bid process and the original bid will be considered the highest bid. This bidding cycle will continue until all bidders but one have dropped from the bidding process. The fact a bidder has the highest bid DOES NOT guarantee that the vehicle will be sold for that amount. The seller reserves the right to reject any bids if seller feels that the highest bid does not reflect the fair market value of the property.

The high bidder will be given 24 hours to arrange for payment of this purchase. Payment must be made in cash, certified funds or by a pre-approved loan.

Bidders must leave a telephone number(s) where they can be reached on the day and time of the sale (normally between 10am-10:30am). It is the bidder’s responsibility to be available at the time of sale.

Your signature below signifies that you have examined the property, are aware of its conditions and defects, and have read and understand the rules to this bidding process.
